

Corporate/Business/Group Membership Information

Graystones Preserve
Albrightsville, PA

In addition to individual and family memberships, Graystones Preserve offers annual memberships to corporations, businesses and other groups. The pricing and benefits are customized to accommodate the uses and needs of each group.

Corporate/business/group memberships can be as simple as single-use access for an annual meeting, or as extensive as weekly overnight visits for ongoing gatherings. Day use only might fill your needs. Or your privileges may include catered multi-day events, guided excursions, and team building activities. The possibilities are many and varied.

At this time, corporate, business and group membership access is limited to weekdays only (excluding Holidays); Monday through Friday, with lodging availability from Monday 3 pm to Friday 11 am. Fly fishing is excluded from permitted activities, except by special arrangement with approval from the Membership Committee. At least one of the two primary contacts for the corporate/business/group membership must be onsite at all times during both day use and overnight use of the property.

To consider how Graystones Preserve might be used by your business or group, please review the following questions and then enjoy the list of "Adventures and Activities" which follows.

1. What is the average size group I anticipate bringing to Graystones Preserve?
2. How many visits do I anticipate during the year?
3. What privileges are important to me?
 - a. Meeting facilities
 - b. Team building
 - c. Outdoor meetings/gatherings
 - d. Lodging accommodations
 - e. GP staff person /concierge available
 - f. Catered meals
 - g. On site transportation
 - h. Solitude and privacy
 - i. Other

We would be happy to discuss these items and any other questions or concerns you may have. Our goal is simply to please you as much as possible with a corporate, business or group membership developed to meet your unique requirements.

We look forward to hearing from you.
